

North Dakota Simmental Association
Scholarship Application

The North Dakota Simmental Association will award one \$500 scholarship to a 2024 high school graduate or someone that will be an enrolled fulltime college student in the fall of 2024. Applicants must be enrolled in a two or four year post high school educational program in the fall of 2024. Preference will be given to applicants that are pursuing a degree in an agricultural program and that have a livestock background that includes the use of Simmental genetics.

Applicants may apply for each of the scholarships.
