Begger's Diamond V

At Begger's Diamond V Ranch the rancher comes first. Our focus is to raise homozygous black homozygous polled Simmental, SimAngus™ and Angus seedstock that calve easy and have the genetics that work for the cowmen and women who raise them. Our cattle are easy-keeping, sound, and low-maintenance, these cattle possess excellent udder quality and pigment is a high priority. We don't tolerate wild, nervous cattle and you shouldn't have to either. At Begger's Diamond V Ranch we offer over 200 high-quality breeding bulls annually that have passed our rigorous culling program. You can be confident that your purchase will be guaranteed to satisfy the most demanding cowman's needs. You bet they calve easy, weigh heavy at weaning, and they will sire outstanding replacement females that won't need pampering to survive. These cattle work in tough environments and excel in profitability (feeders and packers love them). They are more than a pretty set of EPDs.

Plan to attend our 42nd Annual Production Sale February 7, 2018, where over 80 long-age 18-month-old and 120 stout yearling bulls sell, every one black and polled and all ranch-raised in an environment that separates cattle that become problematic; yes they are backed by a guarantee second to none.

EDGE of the WEST Sale

2nd Monday in February, Mandan, ND

LRS EMIL 276C

SAV Resource 1441 x NLC Upgrade U8676

CE	BW	WW	YW	MCE	Milk	MWW	API	TI
8	1.2	88	157	3	29	74	119	87

Emil was purchased from the outstanding Lassle herd in Montana for his performance and maternal potential. He ranks in the top 1% for WW, YW, ADG, MWW, CW & REA. His first calves hit the ground in 2017 and they are impressive!

Homozygous Polled and Homozygous Black SimAngus®

NLC Chum 6122D

NLC Buddy 4005B x TNT Tanker U263

CE	BW	WW	YW	MCE	Milk	MWW	API	TI
7	1.7	85	127	10	19	61	127	83

Buddy's individual performance and EPD package are just as impressive as his physical stature! He boasts ratios of 102 for BW, 116 for WW, 110 for YW, 109 for IMF & 111 for REA in the great NLC program! In addition, his dam has a nursing ratio of 112 on 4 calves and he ranks in the top 10% for WW, YW, MWW, STAY, CW, REA & TI.

Unprecedented awareness of your calves.

NO COST!

IGS breed associations are ideally suited as the industry's benchmark in gauging feeder calf value. Leverage the power of the world's largest beef genetic evaluation to identify your calves' profit potential. The IGS Feeder Profit Calculator identifies the relative value of your feeder calves and provides a third party certification to data-driven buyers. All at no cost to you!

Open to the majority of breeds and breed compositions.
Market with confidence and maximize your purchasing dollars.
