

The background of the poster features a photograph of three Simmental cows (two reddish-brown and one black) standing in a grassy field under a cloudy sky. The image is framed by a dark, textured border that resembles a burlap sack, with the top and bottom edges of the sack visible, creating a rustic, window-like effect.

# ND *Simmental* CLASSIC SALE

Dec. 11, 2021 Mandan, ND, approx. 1:30 p.m.

*Sale follows the ND Red Angus Select Sale, which begins at 11 a.m.*

Forte Livestock, LLC

**ND JUNIOR INCENTIVE PROGRAM  
RULES:**

1. Open heifer must be purchased at the ND State Simmental Classic Sale. Purebred or 50% or higher percentage heifers qualify to show. Sale credit applies to the show season immediately following the sale. Example if heifer is purchased in December 2020, show season would be the summer of 2021.
2. Junior member must register the heifer in their own junior membership with the American Simmental Association. Junior member listed as a representative under an adult membership does not qualify.
3. Junior member must be a member of the ND Junior Simmental Association.
4. Junior member will receive sale credit for placing or winning in the levels listed below.
5. Sale credit must be used at the next ND State Simmental Sale. If not used that year, the sale credit will be voided.

**LEVELS OF SALE CREDIT INCENTIVES:**

- Simmental National Classic or Regional Classic \$1,000 sale credit Place in the top 10
- ND State Fair Junior Simmental Show \$750 sale credit Grand Champion or Reserve Grand Champion Heifer
- ND Junior Points Show Association \$750 sale credit High point year-end heifer
- Local County Fair \$500 sale credit Champion Overall Breeding Heifer at your local county fair

On behalf of the sale consignors, I would like to welcome you to the 2020 North Dakota Simmental Association Classic Sale! 2021 marks the 50th Anniversary of the North Dakota Simmental Association and many of the consignor families involved in this event have roots back to the very beginning.

Again this year, we are sharing the sale date and facility with the ND Red Angus Association and their Red Select Sale, which starts at 11:00 am CST, with the ND Simmental Sale following immediately after. The two breeds of cattle complement each other very well and both associations work together very well both on state and national levels.

The 2021 year has presented many challenges to all of us with the drought conditions we all were faced to deal with. It is admirable to me to see the actions those in agriculture have taken to deal with this, as well as the day-to-day challenges of production agriculture. The commitment and drive of the consignors to again present and offer you an outstanding selection of females is a tribute to the fortitude of this association.

The North Dakota Simmental Classic Sale has developed a reputation of being a source of some of the top Simmental/SimAngus seedstock and genetics available in the land. The offering has been selected from the heart of the top programs in the upper Midwest! The programs involved in this sale have some of the best bull sales in the country each and every year!

I would like to point out that each year while screening for this trip individuals that are selected for the sale go back to or are out of females that were purchased in this sale – a testimonial that these cattle will work!

The North Dakota Simmental Association offers a Junior Incentive Program that is outlined in the catalog and offers a tremendous opportunity for Junior members. This sale offering presents a large number of open heifers that would be very competitive at many levels.

The females in this year's offering are sired by and bred to some of the best genetics available! As buyers you have the opportunity to select individuals and genetics that can advance your program significantly in the future!

Again this year's sale will be broadcast on DV Auction for those of you that may want to participate via the internet. Also we will be posting updated photos and information on the North Dakota Simmental Association website: [www.northdakotasimmental.com](http://www.northdakotasimmental.com), as well as on individual breeders websites.

We invite you to be with us on December 11, 2021 for the sale, as well as on December 10, 2021 for the NDSA 50th Annual Meeting which will be held at Kist Livestock at Noon with lunch provided. We encourage you to contact any of the consignors or sales staff ahead of the sale and look forward to seeing you on December 10th and 11th!

Sincerely,

*Jeff Thomas and the  
Consignors of the 2021 NDSA Classic Sale*

## *Insurance:*

Insurance will be available on sale day. We recommend buyers to insure all purchased animals for the purchase price.

## *Sale Headquarters*

Best Western Ramkota.....  
701-258-7700  
800 S. Third Street • Bismarck, ND 58504  
Ask for the ND Simmental Association Block. Block closes 12/6/21.

## *Surrounding Hotels*

**LOCATED IN BISMARCK, ND**

Ramada..... 701-258-7000  
Everspring Inn & Suites..... 701-222-2900  
Expressway Suites..... 701-222-3311

*Air Transportation:* Bismarck is served by Delta, United, American, Frontier and Allegiant airlines and has excellent facilities for light aircrafts.

*Terms:* All cattle sell under the Suggested Terms and Conditions of the American Simmental Association.

*EPDs:* The EPDs listed are the most current EPDS at the time of printing. Please note the EPDS are updated weekly and may change by sale day, depending on the amount of new data entered in that time.  This symbol indicates genomically enhanced EPDs.

*Canadian Export*  This maple leaf designates that lot is eligible to be sold to Canada. Contact the consignor for Canadian export arrangements. Health expenses will be paid by the buyer, unless other arrangements are made with the seller.

*Announcements:* Announcements made from the auction block during the sale takes precedence over printed material in the catalog or other printed material associated with this sale. Anyone attending this sale attends at their own risk. Breeders and sales staff will not be held responsible for any personal injury for attending this sale.

*Website:* View the sale updates and the catalog online at [www.northdakotasimmental.com](http://www.northdakotasimmental.com).

**Watch & Bid online for FREE at**

**DVAuction**  
Broadcasting Real-Time Auctions

**Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service! Buying online is as easy as 1, 2, 3...**

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction - a DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding - be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy Bidding:** If you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. We'll handle the rest!

**Having troubles?** During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

*Consignor:* **Double T Simmentals** It is a privilege to offer the donation heifer for this special 50th Anniversary of the ND Association. Josie is a special, all around female with a combination of impeccable numbers and sweet profile. This homo black and polled female is out of our senior herd sire GW PTO, who is making his mark on producing moderate, easy keeping productive females.

**Congratulations to the ND Simmental Association on a fantastic 50 years and to a progressive future!**

2021 1st calf heifer (GW Major Move daughter) and her KS Triple Play bull calf in the pasture.

## 1 PICK OF KENNER BRED HEIFERS

*Consignor:* **Kenner Simmental Ranch** We are excited to offer the pick of our replacement bred heifers again this year! Just like last year, it does not include the bred heifers in our production sale. There are over 90 heifers to choose from right off the top of our program. All have genomically enhanced EPDs and trait testing completed. Complete ultrasound and breeding data will be available. This is a tremendous set of heifers that we expect to sire bulls that will be in the top of our sale and females to be in the top of the pen. We are strict about udder quality, disposition, foot quality, structure and overall performance. Our females are bred to be easy keepers and for longevity. The buyer will need to pick by January 15, as they will start calving mid-February. A list of heifers is available by request.

2021 first calf heifer and her IR Klieman heifer calf in the pasture.

2021 first calf heifer and her CLRS Guardian heifer calf in the pasture.

2021 first calf heifer (GW Major Move X KS Penny) in the pasture prior to weaning.

*Consignor:* **Double J Farms** When I started consigning to this sale, I wanted to offer my best. Well, X011 came to the top being our top weaning weight heifer that year and I retained a flush on this great one. Selling to Erika Kenner, I couldn't ask for a better place to be tested before becoming a donor. Think she even surpassed Bryan's expectations when she consistently produced powerful bulls with extra length, depth, muscle shape and excellent dispositions proven especially in the Kenner 2019 production sale. Longevity and backed by 2 great donor cows, these matings will generate revenue or great seedstock for your program.

**Consignor: BNC Livestock** This is a powerful, deep bodied, soggy heifer that will make a great cow for someone. We have had our eye on this heifer since day one. We purchased the dam from Lehrman Family Simmentals a few years back and has been a great cow in our herd. We are super excited about the TJ Nebraska 258G calves that we have coming this year. AI bred to TJ Nebraska 258G (3582542) on 4/25/21. Safe to AI Date with a bull calf.

**Consignor: Quandt Brothers** On the cow side, H003 is a product of an excellent KNH Female that has produced bulls for us over the last couple of years. Plus, she's sired by our exciting new herd sire, Benchmark, that produced multiple sale highlights in last year's bull sale, as well as an impressive set of replacement heifers. We love this one's depth of body and maternal look that compliments her proven genetics. AI bred to Hook's Eagle 6E (3254722) on 5/25/21. PE to TNT Ruley H302 (3794434) from 5/30/21 to 7/10/21. Safe to AI Date.

*Consignor:* Traxinger Farm This female has been one that we had picked out a year ago for Bismarck. As a calf she exhibited the traits we strive to produce, thick, deep flanked, but yet very feminine. KS Little John females are hard to beat when it comes to cows that produce and the Red Rock calf she is carrying will cover all the angles. AI bred to Bridle Bit Red Rock G9124 (3560970) on 5/9/21. PE to Bridle Bit Red Rock G9124 (3560970) from 5/13/21 to 6/20/21. Safe to AI Date.

Colorado Bridle Bit E752 • Sire of Lot 45

*Consignor:* Traxinger Farm Colorado Bridle Bit daughter that shows off his powerful traits. The comments we receive on Colorado are: he calves easy, thick bodied, grow well and the daughters have fantastic udders plus the dispositions are second to none. Mated to High Road the numbers will fit just about any program. AI bred to KBHR High Road E283 (3312276) on 5/10/21. PE to SVS Walker 820F (3583014) from 5/14/21 to 6/22/21. Safe to AI Date.

*Consignor:* Traxinger Farm We have only used 3 or 4 Angus bulls in our program to create SimAngus. Thunder has been one and we absolutely treasure those females. Good uddered females that do create some pounds at weaning. I would best describe this mating to High Road as exciting and I cant wait to see the calf next fall. AI bred to KBHR High Road E283 (3312276) on 5/9/21. PE to SVS Walker 820F (3583014) from 5/14/21 to 6/22/21. Safe to AI Date.

**Consignor: Triple H Simmentals** This red blaze, Elite daughter goes back to her great-great-grandmother, the H60, cow from JR Aufforth that has done so well for us. This cow family is stacked with many great cows and has done a tremendous job for us over the past several year with many sale toppers. This female is hard to part with, but we always bring our best to represent our herd. She is carrying a WS Epic heifer calf due 1/21/2022. AI bred to WS Epic E152 (3254258) on 4/13/21. Safe to AI Date and due 1/21/22 with a heifer calf.

**Consignor: Wicks Cattle** This heifer is a full sister to a bull that topped our red division in our bull sale 2 years ago. Extremely well-balanced with a pedigree and phenotype to make a product that will be extremely predictable. Her Last Call bull calf will be a dandy. We are very pleased with the Last Call calves. They come very easy and grow like weeds. AI bred to W/C Last Call 206A (2785178) on 5/24/21. Safe to AI Date and due 3/2/22.

## 51 BELL MISS RED MOUNTAIN J201 Cow • Red • Polled
