Zac Hall,
Forte Livestock, LLC

NORTH DAKOTA JUNIOR INCENTIVE PROGRAM

Rules:

1. Open heifer must be purchased at the ND State Simmental Classic Sale. Purebred or 50% or higher percentage heifers qualify to show. Sale credit applies to the show season immediately following the sale. Example if heifer is purchased in December 2024, show season would be the summer of 2025.
2. Junior member must register the heifer in their own junior membership with the American Simmental Association. Junior member listed as a representative under an adult membership does not qualify.
3. Junior member must be a member of the ND Junior Simmental Association
4. Only one level of credit (highest) per year awarded per qualified junior member. Junior member will receive sale credit for placing or winning in the levels listed below.
5. Sale credit must be used at the State Sale in December of the same year's show season. If not used that year the sale credit will be voided.
6. To receive sale credit junior must provide a picture (advertising quality) and a signed statement from a ND Junior Simmental Association Advisor for the Classic, ND JR Field Day or ND State Fair shows; from a NDJPSA Advisor for the ND Jr Points Association levels; or from your local county extension agent /Chapter FFA Advisor for the local County Fair level by December 1 of current year.

Levels of Sale Credit Incentives:

- Simmental National Classic or Regional Classic—\$1,000 sale credit
- Place in the top 10
- ND JR Field Day or ND State Fair Junior Simmental Show—\$750 sale credit
- Grand Champion or Reserve Grand Champion Heifer
- ND Junior Points Show Association—\$750 sale credit
- High point year end heifer
- Local County Fair—\$500
- Champion Overall Breeding Heifer at your local county fair

On behalf of the sale consignors, I would like to welcome you to the 2024 North Dakota Simmental Association Classic Sale! The North Dakota Simmental Association has been in existence for over 50 years and many of the consigning families involved in this event have roots back to the very beginning!

Again this year we are sharing the sale date and facility with the ND Red Angus Association and their Red Select Sale which starts at 11:00 am CST with the ND Simmental Sale following immediately after. The two breeds of cattle complement each other very well and both associations work together very well both on state and national levels.

The North Dakota Simmental Classic Sale has developed a reputation as being a source of some of the top Simmental/SimAngus seedstock and genetics available in the land. The offering has been selected from the heart of the top programs in the upper Midwest! The programs involved in this sale have some of the best bull sales in the country each and every year!

I would like to point out that each year while screening for this trip individuals that are selected for the sale go back to or are out of females that were purchased in this sale – a testimonial that these cattle will work! As you go through the offering for this sale I would encourage you to take note of the sale items that each consignor has available; whether it be a production sale or private treaty offering as these consignors are the "Heart" of the North Dakota Simmental Association!

The North Dakota Simmental Association offers a Junior Incentive Program that is outlined in the catalog and offers a tremendous opportunity for Junior members. This sale offering presents a large number of open heifers that would be very competitive at many levels.

The females in this year's offering are sired by and bred to some of the best genetics available! As buyers you have the opportunity to select individuals and genetics that can advance your program significantly in the future!

Again this year's sale will be broadcast on DV Auction for those of you that may want to participate via the internet. Also we will be posting updated photos and information on the North Dakota Simmental Association website: www.northdakotasimmental.com as well as on individual breeders websites.

We invite you to be with us on December 14, 2024 for the sale as well as on December 13, 2024 for the NDSA Annual Meeting which will be held at Kist Livestock at Noon with lunch provided. Also plan to attend their social and banquet on December 13. We encourage you to contact any of the consignors or sales staff ahead of the sale and look forward to seeing you on December 13th and 14th.

Sincerely,

Jeff Thomas & the 2024 NDSA Classic Sale Consignors

New Sale Headquarters Hotel!

JOIN US FOR THE NDSA ANNUAL MEETING

Join us for the Annual Meeting on Friday, Dec. 13, 2024 at 12:00 noon at Kist Livestock, Mandan. Watch the NDSA website for the annual meeting agenda items: www.northdakotasimmental.com.

Sale Headquarters

Baymont Inn & Suites..... 701-663-7401
2611 Old Red Trail NW • Mandan, ND 58554
Ask for the ND Simmental Association Block. Block closes 12/6/24.

Watch & Bid online for FREE at

DVAuction
Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction - a DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding – be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding: If you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

Consignor: **Double J Farms • Embryos • ET • Homozygous Black • Homozygous Polled • KRJ E7118** is a daughter of the great Latisha who was named the National Champion Purebred Cow/Calf Pair in 2018. This Cowboy Cut daughter has produced 4 daughters of her own in addition to a bull calf that posted a 112 WW ratio. Bridle Bit Recharge was the \$100,000 record high seller at the 2023 Bridle Bit Simmental Sale. This numerically advanced stud has an outcross pedigree with an exceptional phenotype which makes him a must use for various cattle producers. In our upcoming 51st Annual Sale we will be offering the choice of our open replacement heifer pen, and it wouldn't be surprising to see one of this mating's full sister be the top pick. This is an excellent genetic opportunity that is sure to generate revenue! Package of 3 IVF Grade 1 Embryos

Consignor: **Double J Farms • Embryos • ET • Homozygous Black • Homozygous Polled • In 2023** we were on the hunt for our next donor and DJF E799 easily made her way to the pen. She ranks in the top for weaning and yearling ratios in addition to raising DJF Palisades, our 2022 high selling bull that commanded \$20,000 to Ekstrum Simmentals. Last year, her direct son sold for \$11,000! Heyday is no stranger to our program as he excels across the board numerically and has been consistent in producing high quality offspring. In our 2024 sale, the five Heyday sons each sold for over \$10,000 and averaged \$12,000! Expect this mating to produce high growth progeny that will generate income in your pocket! Consignor: **TRAXINGER FARM • Embryos • PB SM • ET • Homozygous Polled** • A remarkable female that has created several herd bulls for purebred breeders. Deep, stout, and a well rounded EPD profile. Take a look at her daughter L361 in this year's sale. The embryos are full sibs to this stout made entry. One of the most consistent Red purebred cows in the simmental breed I believe. An opportunity here to have a donor quality female or your next herd bull. Selling 5 Embryos and Guaranteeing 2 Pregnancies when done by a certified technician.

Consignor: **MANDAN LAKE CREEK SIMMENTAL RANCH** • Bred Percentage • ET • This black heifer combines homo polled and homo black, with size and scale to develop into quite a brood cow to build a program around. The AI mating to Colorado will make this a very exciting individual. The Colorado genetics have sired many of the top selling individuals in the past years. The dam to this heifer has done a very good job of production in our herd with excellent udder structure and good milking ability along with a quiet disposition. Here's an opportunity to own a good one!

AI bred to Bridle Bit Colorado, ASA# 3271382, on 5/31/2024. Pasture exposed to KS Trustee, ASA# 3882299 from 6/9/2024 to 7/2/2024. Safe to AI Date. Due 3/12/2025 with a bull calf.

Consignor: **MANDAN LAKE CREEK SIMMENTAL RANCH** • Bred Purebred • ET • Homozygous Polled • This red Gizzmo daughter has a very bright future. If you are looking for a power packed performance cow, put her high on your list. She is homo polled, dark red, strong maternal pedigree with a quiet disposition. Her individual performance at weaning indexed 7th out of 114 contemporaries giving her a weaning index ratio of 113. This CLRS Kerosene mating makes for an exciting new outcross to the red genetics. A little history on Gizzmo, his calves start light at birth and have tremendous performance. Proof of this, he sired our top selling Red bull in the 2024 Dakota Xpress Sale.

AI bred to N/A, ASA# N/A, on N/A. Pasture exposed to CLRS Kerosene 915K, ASA# 4031962 from 6/9/2024 to 7/2/2024. Safe to Pasture Sire. Due 3/28/2025 with a bull calf.

Consignor: QUANDT BROTHERS • Bred Purebred • ET • Homozygous Black • Homozygous Polled • This bred heifer boasts the best EPD profile in the group, paired with exceptional eye appeal and great maternal aspects. She traces back to the Z458 donor, the first cow we purchased from the state sale, which served as the foundation of our program. Many of her daughters have remained in our herd and contributed significantly to its growth. Her sire has also continuously impressed us over the years, producing calves with low birth weights that still show strong growth.

AI bred to S ARCHITECT 9501, ASA# 4119440, on 5/14/2024. Pasture exposed to N/A, ASA# 4338732/4053770/4227645 from 6/1/2024 to 8/20/2024. Safe to AI Date. Due 2/20/2025 with a heifer calf.

The seller retains the right to one IVF or conventional flush, guaranteeing a minimum of 8 transferable embryos, with no restrictions on the upper limit. This right is offered at the buyer's convenience.

Consignor: QUANDT BROTHERS • Bred Percentage • ET • Homozygous Black • Homozygous Polled • This is a very broody, deep-bodied heifer—if you're looking for a power cow, here she is. Her dam has been a tremendous asset to our operation over the years; we actually purchased her from this very sale eight years ago as our pick from Begger's Diamond V Ranch. As for her sire, Ironsides has been our top-performing sire for the past five years, with multiple herd sires sold throughout the state and many daughters actively producing in our herd.

AI bred to BC STRUCTURE J111, ASA# 3975391, on 5/14/2024. Pasture exposed to ASA# 4338732/4053770/4227645 from 6/1/2024 to 8/20/2024. Safe to AI Date. Due 2/20/2025 with a heifer calf.

Consignor: QUANDT BROTHERS • Bred Percentage • ET • Homozygous Black • Homozygous Polled • This heifer has been a standout since birth, making it hard for us to part with her. She comes from an exceptional dam and sire group. Her dam has been highly productive, calving consistently each year, with two bull calves sold in the sale throughout the years. She's also produced three heifers, one of which already raised her first bull calf sold in last year's sale, and currently has a standout open heifer in the replacement pen. Her sire also made a strong impression, with 13 bulls averaging \$7,700 in last year's sale. This heifer has tremendous eye appeal and has been an easy keeper her entire life.

AI bred to LRS Falcon, ASA# 3563006, on 5/14/2024. Pasture exposed to ASA# 4338732/4053770/4227645 from 6/1/2024 to 8/20/2024. Safe to AI Date. Due 2/20/2025 with a bull calf.

Consignor: **SORENSON RANCH • Bred Percentage • ET • Homozygous Polled •** Solid black 5/8 heifer that is powerful in her makeup but instills an elegant look to her. Comes in a great design from her head to her tail that is structurally correct. She is a hard heifer to part with and will make an impact in any herd! Make sure to note her great set of EPDs.

AI bred to Bridle Bit GPS H078, ASA# 3724830, on 5/18/2023. Pasture exposed to HABR Eagle K201, ASA# 4091829 from 5/20/2023 to 8/6/2023. Safe to AI Date. Due 2/24/2025 with a bull calf.

Consignor: **TRAXINGER FARM • Bred Purebred • ET • Homozygous Polled** • An own ET daughter of the great Miss Trax's B479 donor. B479 has produced such greats as Trax's Red River, Trax's Bulldog (Owned By Kunkel Simmentals), plus 4 other ET sons in our 2024 bull sale averaging \$13000. Going to the great programs of Doug Schmidt, Chase Trautman, Brian Schone and the Doll Ranch. Captivate females are the real deal, deep thick and brood cow look. Like I said before, the 2 reds we're bringing need to be in an ET program.

AI bred to Redhill Burley 99J, ASA# 3953952, on 5/5/2024. Pasture exposed to DSR Killian, ASA# 4118728 from 5/9/2024 to 6/20/2024. Safe to AI Date. Due 2/14/2024 with a calf.

Consignor: **TRAXINGER FARM • Bred Purebred • ET • Homozygous Polled** • Probable the deepest female we have ever offered to this state sale. Trax's Miss L362 belongs to Michael and he doesn't want to part with here. What makes this sale elite is the breeders do bring the girls that are hard to part with, this one is one of those. The 2 reds that we have consigned need to be in a donor program, that's how good we feel they are. Tremendous cow family here, no holes no guess work. Bred to a new sire ES Jack Red something new, something different.

AI bred to KS Jack Red, ASA# 4257936, on 5/05/2024. Pasture exposed to DSR Killian, ASA# 4118728 from 5/9/2024 to 6/20/2024. Safe to AI Date. Due 2/14/2025 with a calf.
