

To the North Dakota Simmental Association Members,

It is with great excitement and appreciation that I write to you as the Manager of the North Dakota Simmental Classic Sale. I am truly honored to take on this role and am eager to work alongside each of you, dedicated breeders and consignors who are passionate about advancing the Simmental breed.

Over the years, this sale has built a strong reputation as a premier event for accessing breed-leading genetics. I look forward to continuing that momentum and helping elevate the ND Simmental Classic to even greater heights. Your commitment to quality cattle and strong programs is what makes this event truly stand out.

Enclosed, you will find the 2025 nomination form. Please complete and return it at your earliest convenience. Getting these nomination forms back to me allows me to begin organizing travel routes for visits and making selections in a timely manner.

Communication and collaboration will be key to making this year's sale a success, and I want you to know that I am here to support you however I can. Whether you have questions about the nomination process, sale details, or just want to visit about your program, don't hesitate to reach out by call, text, or email.

Best regards,

Logan Hoffmann
